

Dm

Our Debt Has hit the ceiling and my head is really reeling

Bb

I did not know. I did not know.

Dm

Afghanistan is burning, Mount Saint Helen's is still churning.

Bb

It might just blow. How can we know?

C

Climate change is paramount. The polar bears are losing count.

Dm

Where did they go? I do not know.

C D7

It's too hot. It's too cold. And we've got way too much snow.

G

The earth it rocks. The earth it rolls.

G7 G7-F#bass

And we've got no where else to go.

F

Close your eyes. Let it all go. All the way down to Mexico.

Bb Dm C C7

In the sun. In the shade. Feel the waves. Swim the caves.

F C Bb F F e-bass

EAT TORTILLAS!. DRINK TEQUILA!. Squeeze your lime into my beer.

Dm

The GDP is overwhelming me.

Bb

It goes down, I get so low.

Dm

Somalia is starving. With what we have it's so alarming.

Bb

I cannot go. I cannot go.

C

Our president sits on a fence. His policies make no real sense.

Dm

He's gotta go. How could we know.

C D7

One side sits. One side stands. And no one seems a real man.

G

The earth it rocks. The earth it rolls.

G7 F#bass

And we've got no where else to go.

F

Close your eyes. Let it all go. All the way down to Mexico.
